[†]Walden University's teacher preparation program is approved by the Minnesota Board of Teaching for licensure in Minnesota. Walden's enrollment advisors can provide individuals with guidelines and other information about licensure. It remains the individual's responsibility to understand and comply with the out-of-state licensure requirements for the state in which he or she seeks to be licensed.

Individuals entering the TEACH grant program are responsible for ensuring they can meet their state's licensure requirements upon graduation in order to teach in a high-need field and therefore satisfy the conditions of the grant.

Prospective Alabama students: Contact the Teacher Education and Certification Division of the Alabama State Department of Education at 1-334-242-9935 or www.alsde.edu to verify that these programs qualify for teacher certification, endorsement, and/or salary benefits.

Prospective Washington state students are advised to contact the Office of the Superintendent of Public Instruction at 1-360-725-6320 or prof.educ@k12.wa.us to determine whether Walden's programs in the field of education are approved for teacher certification or endorsements in Washington state. Additionally, teachers are advised to contact their individual school district as to whether this program may qualify for salary advancement.
