Code 138 Clearance Form

Instructions

We have received the results of your Free Application for Federal Student Aid (FAFSA). According to your FAFSA, the National Student Loan Data System (NSLDS) found your reported Social Security Number (SSN) on their database, but your name and/or date of birth did not match. Therefore, your Student Aid Report (SAR) does not contain the financial aid history that is associated with your reported SSN. We cannot process your financial aid until this issue is resolved.
