

**Walden University**  
**Social Security Number Verification**

**Directions**

You must verify your social security number for processing of your Free Application for Federal Student Aid (FAFSA) to continue. **Please list your name and social security number below as they appear on your social security card. Attach a copy of your social security card** with this completed document and return it to the Financial Aid office at the address above.

If we determine that your social security number is:

- **Incorrect**, the Financial Aid office will submit your correct social security number to the Department of Education. (This will allow us to continue processing your application.)
- **Correct**, but the Social Security Administration (SSA) is unable to verify that it corresponds to your name and/or birth date; you must contact a local or regional SSA office directly to provide them with the correct information and supporting documentation before the Financial Aid office can submit correction to the Department of Education.

If you do not have a social security card, or it has been lost, please call the SSA at 1-800-772-1213 to obtain a new card and temporary proof of your social security number.

**Please type or legibly print your name and social security number exactly as they appear on your social security card.**
