

Transfer Guide between Maricopa Community Colleges and Walden University

Recommended MCCCDC Degree Program: Associate in Applied Science (AAS) in Health Services Management – Major Code 3336, Offered at GateWay Community College

TRANSFERRING TO

Recommended Walden Program: Bachelor of Science in Health Care Management (BSHLTH)

Maricopa County Community College District (MCCCDC) students who successfully complete courses listed in this guide with a grade of 'C' or better *and* meet the requirements for admission to the respective Walden Bachelor degree program may receive credit. **All credits will be converted to the equivalent value for Walden credit.** Students are urged to refer to their associate's degree checksheet and seek academic advisement to ensure associate's degree requirements are met.

Important Note: Courses indicated on these tables will be fulfilled, but there may be outstanding credit. Walden requires that 45 of the last 90 quarter credits (30 of the last 60 semester credits) earned for a bachelor's degree be earned at Walden University. Transfer of credit is subject to change based on curriculum updates by academic leadership.

The following tables outline the requirements needed to receive an Associate of Applied Science in Health Services Management from Maricopa Community Colleges. Within the table we have identified preferred courses from Maricopa Community Colleges that will be applicable toward Walden's Bachelor of Science in Health Care Management.
