

Straighterline and Walden University Transfer Guide

The following chart indicates Straighterline students who complete these courses/examinations and meet the requirements for admission to Walden may receive credit toward their Bachelor degree. **All credits will be converted to the equivalent value for Walden credit.**

Important Notes: Courses indicated on these tables will be fulfilled, but there may be outstanding credit. Walden requires that 45 of the last 90 quarter credits earned for a bachelor's degree be earned at Walden University. Transfer of credit is subject to change based on curriculum updates by academic leadership.

All courses noted below can also count towards lower level elective credits. No upper level elective credits will be awarded for Straighterline courses.
