

## University of California, Irvine Extension (UCI Extension) and Walden University Articulation Guide

UCI Extension students who successfully complete the courses in the tables below with a grade of 'B' or better *and* meet the requirements for admission to Walden's respective Graduate Programs may receive credit toward their Graduate Degree program. **All credits will be converted to the equivalent value for Walden credit.**

**Important Note:** Courses indicated in this guide will be fulfilled as long as maximum transfer of credit is not exceeded. There may be outstanding credit, but it must be earned within 10 years prior to or after matriculation for graduate programs, and within the time limit for earning the degree, unless noted differently on the Transfer Maximum by Program (Chart) in the Walden Catalog. Transfer of credit is subject to change based on curriculum updates by academic leadership.

**Recommended UCI Extension Program:** Certificate in Data Science

**Recommended Walden Program:** Master of Information Systems Management; General Specialization  
 Total Credits Required: 30 Semester Credits
