Student Name: \_\_\_\_\_ Walden ID/SSN: \_\_\_\_\_

City \_\_\_\_\_ State \_\_\_\_\_ Zip Code \_\_\_\_\_  
 Daytime Telephone Number: \_\_\_\_\_ Date: \_\_\_\_\_

This application is for a review of special circumstances that have arisen, which you feel may change your financial aid eligibility. We require that certain documents **MUST** be provided to support the specific special condition selected by you and/or your parent. We start with an evaluation of the accuracy of the information that you submitted on your Free Application for Federal Student Aid (FAFSA). We will evaluate the supporting documents along with your FAFSA to determine if you are eligible for any adjustments.

The United States Department of Education provides in the Higher Education Amendments of 1998 a reaffirmation of the use of professional judgment in determining eligibility for federal financial aid. This provision allows for consideration of expected year income, instead of prior year income to calculate a student's eligibility. The student's situation **MUST** meet one of the criteria used by Walden University as a special condition. This means that a student who meets a special condition in the 2016-2017 award year may have his/her eligibility calculated using expected income from 2016.

### **Required Documentation for All Conditions**

- 2015 IRS Tax Return Transcript for student and parent(s). If your supporting parent filed separate from their spouse, they must provide both IRS Tax Return Transcripts.
- 2016-2017 Dependent Verification Worksheet

**YOUR REQUEST WILL NOT BE CONSIDERED IF THE REQUIRED DOCUMENTATION IS NOT PROVIDED.**

### **No Guarantee**

Reporting a special condition does not guarantee that an adjustment will be made. The Federal Government has strict guidelines that the university must follow in these situations. The Office of Financial Aid may deem that the condition does not fit the spirit of the federal regulations governing financial aid programs. **ALL DECISIONS MADE BY THE OFFICE OF FINANCIAL AID WILL BE FINAL.**

### **Notification**

The Office of Financial Aid will review your Special Condition Application on a chronological basis. That is, applications are reviewed in the order of the date of submission. If the application is approved, the student will receive an email reflecting the approval. If the application is denied, the student will be notified as such by email. Lack of notice means the application has not been reviewed as of yet.

### **Situations that do NOT qualify as a Special Condition**

Examples would include, but are not limited to:

- a student/parent who decides to quit their job,
- a student/parent who decides to reduce their work hours to attend school,
- consideration of expenses that are being paid on a regular basis (household bills/credit cards, car payments, mortgage payments)

**Special Condition Application (con't)**

**Instructions for Completion**

1. Complete only the sections that apply to your situation and provide all required documentation.
2. Provide all requested signatures. Write student name and Walden ID/SSN across the top of all documents.
3. If additional information is required, you will be notified promptly.
