Walden offers both state-approved educator licensure programs as well as programs and courses that do not lead to licensure or endorsements. Prospective students must review their state licensure requirements prior to enrolling. For more information, please refer to www.WaldenU.edu/educlicensure.

Prospective Alabama students: Contact the Teacher Education and Certification Division of the Alabama State Department of Education at 1-334-242-9935 or www.alsde.edu to verify that these programs qualify for teacher certification, endorsement, and/or salary benefits.

Prospective Washington state students are advised to contact the Office of the Superintendent of Public Instruction at 1-360-725-6275 or prof.educ@k12.wa.us to determine whether Walden’s programs in the field of education are approved for teacher certification or endorsements in Washington state.

Additional information includes:
- Walden University’s endorsement program is approved by the Minnesota Board of Teaching for endorsement or add-on licensure in Minnesota. Candidates for this program must already hold a valid K–12 teaching license. Walden’s enrollment advisors can provide individuals with guidelines and other information about endorsements. It remains the individual’s responsibility to understand and comply with the out-of-state endorsement requirements for the state in which he or she seeks to be endorsed.
- Many countries have their own accrediting bodies, and degree recognition differs from country to country. Prospective students who reside outside of the United States are advised to review accreditation requirements for their own country to confirm recognition of their Walden program of choice.

Walden University is accredited by The Higher Learning Commission and a member of the North Central Association, www.ncahlc.org.
