NOTE: To preserve confidentiality, "N/A" is reported if fewer than 10 Oregon students enrolled in or completed the program within the reported period.

<sup>1</sup>The following chart represents the tuition and fees charged for completing a program, including the typical cost for books and supplies, by degree level. In programs that contain a residency or field experience requirement, the cost of transportation is not included.

<sup>2</sup>This is the average time an Oregon student graduated from the program in AY2023-24.

<sup>3</sup>The percent of Oregon students entering Walden for the first time, including transfers, during FY2015-16 who completed any award within eight years.

<sup>4</sup>Median Stafford and Grad Plus loan debt disbursed at this institution for the pooled years AY2019-20 and AY2020-21 as reported on the College Scorecard.

<sup>5</sup>Median estimated monthly payment for Stafford and Grad PLUS loan debt disbursement at this institution for the pooled years AY2019-20 and AY2020-21 as reported on the College Scorecard.

Degree Level	# Awards in AY 2023-2024	Average Time to Degree (Months)
Bachelors	1,502	31.3
Certificate	1,057	19.5
Doctorate	953	60.9
Masters	8,353	34.4
PhD	811	88.3
Specialist	103	24.0

The Department of Education repealed gainful employment regulations, as a result there are no metrics to report. Walden does not collect data for job placement success as a result you should assume the rate is zero percent.

Walden does not collect data on median starting salaries for graduates, the U.S. Department of Education publishes median annual earnings of individuals of federal student aid and began college at Walden 10 years ago regardless of competition status. As reported on the College Scorecard, this number is \$53,448.

### **Institutional Accreditation:**

Accreditation is a mark of quality. Walden has been accredited by The Higher Learning Commission (HLC) since 1990. The HCL is an institutional accreditor recognized by the U.S. Department of Education and the Council for Higher Education Accreditation.

### **Programmatic Accreditation and Recognition:**

Specialized accreditation is given to a college, school, or specific degree program within a university, most often for professional programs that lead to certification or licensure. To receive this type of accreditation, the college, school, or program must demonstrate that it has relevant content, qualified faculty, and adequate resources to meet rigorous accreditation standards set for a specific field, discipline, or profession. By earning this accreditation, the specific program, school, or college demonstrates that it has met the standards that prepare students for advancement in the field. Walden is proud to have earned specialized accreditations from the following organizations:

#### **Social Work-Council on Social Work Education**

Walden University's Bachelor of Social Work (BSW) and Master of Social Work (MSW) are accredited by the Council on Social Work Education (CSWE), a specialized accrediting body recognized by the Council for Higher Education Accreditation (CHEA). CSWE's Commission on Accreditation is responsible for developing standards that define competent preparation for professional social workers and ensuring that social work programs meet these standards.

#### **Education – Council for the Accreditation of Educator Preparation**

Walden University's [Richard W. Riley College of Education and Human Sciences](#) has earned national accreditation by demonstrating excellence in the areas of content and pedagogy, clinical experiences, selectivity, program impact, and capacity for continuous improvement from the Council for the Accreditation of Educator Preparation (CAEP, 1140 19th St NW, Suite 400 Washington, DC 20036 (202) 223-0077). CAEP is a CHEA recognized national accreditor for educator preparation. CAEP accreditation is based on a review of The Richard W. Riley College of Education and Human Sciences' initial teacher preparation programs—the [BS in Elementary Education](#) and the [Master of Arts in Teaching](#) with a specialization in Special Education—and advanced educator preparation programs—the [EdS in](#)

[Educational Leadership and Administration](#) and the [MS in Education](#) with a specialization in Educational Leadership and Administration. Three of these programs were reviewed by Specialized Professional Associations (SPAs), which defines content-area standards for programs, and achieved national recognition: Master of Arts in Teaching with a specialization in Special Education, EdS in Educational Leadership and Administration, and MS in Education with a specialization in Educational Leadership and Administration.

## **Business – Accreditation Council for Business Schools and Programs**

The [Accreditation Council for Business Schools and Programs \(ACBSP\)](#), which is recognized by the Council for Higher Education Accreditation (CHEA), is a leading specialized accreditation association that identifies and supports excellence in business education worldwide. Walden University's [BS in Business Administration \(BSBA\)](#), [Master of Business Administration \(MBA\)](#), MS in Finance, [Doctor of Business Administration \(DBA\)](#), and [PhD in Management](#) programs are accredited by ACBSP. Walden's BS in Accounting and MS in Accounting programs are also accredited by ACBSP and have earned the organization's Specialized Accounting Accreditation.

## **Public Health – Council on Education for Public Health**

The [Council on Education for Public Health \(CEPH\)](#) Board of Councilors acted at its September 6, 2019, meeting to accredit the Master of Public Health (MPH) program at Walden University for a five-year term, based on an application for accreditation submitted on February 3, 2018. On June 5, 2020, the CEPH Board of Councilors accredited the Doctor of Public Health (DrPH) program at Walden University, after reviewing an accreditation application submitted on April 21, 2020. Based on CEPH procedures and the documentation submitted, the effective accreditation date of both of these programs is February 3, 2018. CEPH is an independent agency recognized by the U.S. Department of Education to accredit schools of public health and programs of public health. CEPH accreditation provides assurance that the program has been evaluated and met accepted public health profession standards in practice, research, and service. For a copy of the final self-study document and/or final accreditation report, please contact the dean of the College of Health Sciences and Public Policy ([adchshealth@mail.waldenu.edu](mailto:adchshealth@mail.waldenu.edu)).

## **Nursing – Commission on Collegiate Nursing Education**

The baccalaureate degree program in nursing (BSN), master's degree program in nursing (MSN), post-graduate APRN certificate program, and Doctor of Nursing Practice (DNP) program at Walden University are accredited by the Commission on Collegiate Nursing Education ([www.ccnaccreditation.org](http://www.ccnaccreditation.org)).

## **Counseling – Council for Accreditation of Counseling and Related Educational Programs**

[Council for Accreditation of Counseling and Related Educational Programs \(CACREP\)](#)—Walden's [PhD in Counselor Education and Supervision](#); [MS in Clinical Mental Health Counseling](#); [MS in School Counseling](#); MS in Addiction Counseling; and MS in Marriage, Couple, and Family Counseling programs are accredited by the Council for Accreditation of Counseling and Related Educational Programs (CACREP), a specialized accrediting body recognized by the Council for Higher Education Accreditation (CHEA). CACREP accreditation ensures that the content and quality of counselor-preparation master's and doctoral degree programs have been evaluated and meet standards set by the profession.

## **Technology – ABET (Accreditation Board for Engineering and Technology)**

The BS in Information Technology program is accredited by the Computing Accreditation Commission of ABET, [www.abet.org](http://www.abet.org). ABET is the internationally recognized accreditor for college and university programs in applied science, computing, engineering, and engineering technology. This accreditation reaffirms the quality of Walden's

information systems and technology programs and support services, as well as its commitment to continuous assessment and improvement.

**Transfer Credit:**

Walden University encourages transfer of credit from other institutions. Prior to admission to Walden, applicants may request an unofficial evaluation of transfer of credit. Transfer of Credit requests should be submitted during the application process. This can be done with unofficial transcripts. Transfer-of-credit documentation, when requested, should be submitted to the Office of Admissions. Normally, students are officially notified when credits are accepted for transfer to a program at the same time that they are given an offer of admission or during their first term of enrollment.

Official evaluation of credits for transfer to a program requires the following:

- Official transcript that reflects the course being evaluated
- Syllabi for courses being evaluated for transfer, upon request
- **For non-U.S. institutions**
  - a. A copy of the catalog course description
  - b. Evaluation and certification of transcripts by a credential evaluation service that is a member of the National Association of Credential Evaluation Services (NACES)

Transfer credits will not be calculated into the Walden grade point average (GPA). Only Walden course grades will be included in the Walden GPA.

***Note the following exceptions:***

- Walden residency units completed at one degree level are not transferable into a different degree level within Walden.
- Depending on the program, same-level residency units completed at Walden may be considered for transfer within same-level degree programs at Walden.
- Walden residency units completed prior to September 2006 are not transferable among Walden programs, as the residency requirements have significantly changed.
- Internships, practice, dissertations, doctoral studies, and thesis are not permitted for transfer.

In addition to the university requirements for the transfer of credit, some colleges, schools, or programs specify other conditions. Students should check the [Transfer Maximum by Program](#) table in this [Walden University Student Handbook](#), as well as the program's section in the [Walden University Catalog](#), for program-specific transfer-of-credit requirements.

The transferability of credits earned at Walden University is at the discretion of the receiving college, university, or other educational institution. Students considering transferring to any institution should not assume that credits earned in any program of study at Walden University will be accepted by the receiving institution. Similarly, the ability of a degree, certificate, diploma, or other academic credential earned at Walden University to satisfy an admission requirement of another institution is at the discretion of the receiving institution. Accreditation does not guarantee credentials or credits earned at Walden University will be accepted by or transferred to another institution. To minimize the risk of having to repeat coursework, students should contact the receiving institution in advance for evaluation and determination of transferability of credits and/or acceptability of degrees, diplomas, or certificates earned.
